

OBJECTIVE: We have chosen a few of our favorite campus landmarks for attendees to visit and answer some pirate trivia! All they have to do is be one of the first players to find each of the four locations and they can win some ECU Pirate Booty!

DIRECTIONS: (as seen in program) Scan one of the starting QR codes with a smart phone, or go directly to the web address provided. This will launch a video with instructions on how to complete that step of the treasure hunt using the smart phone and social media accounts. Attendees will be given the next clue to the next stop on the treasure hunt.
